Total Computer Care

Need re-manufactured toner and ink cartridges? We love Sean at **Total Computer Care** for US-made toner and ink

January 2013

It's a brand new year! To celebrate, we've created a [brand new website](#) just for teachers, librarians and school administrators. Here, we feature the entire suite of VariQuest® products including the amazing Poster Maker (see below). So bookmark [NMSchoolTools.com](#) for videos, offers and demos.

The [InaBind NM website](#) will continue to be available for our corporate and print industry customers.. Find the latest on **Fastback® binders and accessories, plus Drylam®, Formax® and Colibri®** printing, binding, folding and laminating machines.

Our year end promotions have been extended for 1 more month, so if you were not able to take advantage of the savings before the holiday, now is your chance. Just give us a call or send an email and we will get a quote out to you immediately.

And last, but not least, we're now able to do **virtual demonstrations** of all our VariQuest®, Fastback® and other equipment. So when the weather or schedules keep us from coming to you in person, with a phone line, Skype or the internet, we can show you how easy it is to print, bind, laminate, cut, fold and anything else you need to do!

So welcome in the New Year! Until I see you again,
Margaret

Did You Know?

Making

photo magnets, magnet frames, car signs and bumper stickers is easy with magnetic laminate? The easy drop in cartridge laminates one side and applies magnet to the other. We've got 10 foot rolls - much cheaper than buying online.

Tip

Have questions or need ideas for using your Poster Maker? The [VariQuest website](http://www.variquest.com) has all the answers!

Our Poster Maker's scan-to-print technology offers a standalone capability by enlarging an 8 1/2" by 11" document, such as a classroom rubric, to poster sizes ranging from 17" to 36" wide. An automatic cutter allows for smooth edges between multiple print jobs, and a supply recognition feature reads paper type, color, size and amount remaining on the roll. The Poster Maker also uses a durable thermal printing process, eliminating the need for ink and toner cartridges.

Success Story: Sarracino Middle School

Cindy Martlock, Library Media Specialist at Sarracino Middle School in Socorro, is known as the Poster Maker Lady. She uses the Poster Maker every day, and doesn't know what she, or the school, would do without it.

Who Uses InaBind & VariQuest in New Mexico?

Lots of people! Are you?

- **New! 87** Public School districts.
- 9 Colleges and Universities
- Private and Charter Schools
- Local, State and Federal Government agencies.
- A host of businesses in the private sector.

InaBind & VariQuest

InaBind's binding system is perfect for today's printing needs:

- **On demand, personalized presentations and reports**
- **Short run - you print only what's needed, when it's needed**
- **High quality, beautifully presented and professional looking materials**

InaBind's professional binding equipment meets all these requirements economically and with ease - anyone can use the machines. Really, anyone!

Sarracino MS poster queens Margaret Stanley & Cindy Martlock

"We love, love, love our poster maker. We use it for everything," she says. "The folks at Socorro High School come down and use it, too!"

In fact, they use the Poster Maker for so many things, it's easier to just list them:

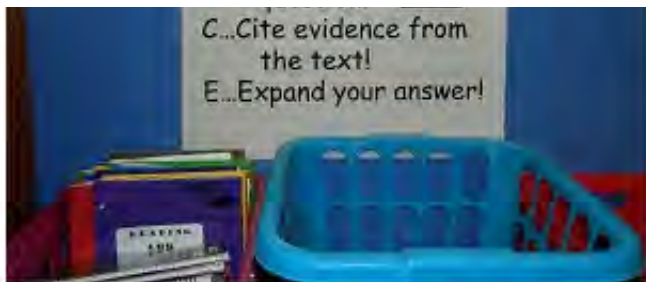

- Enlarging student work to display in classrooms and hallways. The school's renaissance rewards program (in which students write poems), includes blowing up winning poems for all to see.
- A recent pink ribbon cancer promotion included enlarging a student poem and presenting it to the nurse involved in the program.
- The school's Sunshine club award given to good citizens each month.
- Blowing up testing and other data and posting it in the teacher's prep room.
- Posting SBA testing anchors.
- Displaying behavioral expectations in hallways.
- Hanging maps, testing times and places.
- Displaying concession stand price lists.

The school has had the poster maker for more than 5 years, and Cindy says customer service from InaBind is great, too. "Working with Chris is great - orders are here the same day or next day. And my questions always get answered," she says.
