Total Computer Care

Need re-manufactured toner and ink

March 2013

Where in the world has Margaret been? Despite some dicey weather in February, Margaret's been a travelin' woman, training schools on Fastback and VariQuest equipment in Espanola, Taos, Los Alamos, and Santa Fe, as well as Albuquerque.

We're all especially excited about the new **Perfecta poster printer** from **VariQuest**, which debuts this month. See below for all the details about this amazing new machine that prints in full color!

And if professional development is on your mind, check out the [NMSchoolTools.com](#) website for the latest product and professional webinars, and links to websites where teachers can post their wish-list of projects that need funding. There, anyone can send in \$5 or \$10 (or more) to make these projects happen.

Until I see you again,

Margaret

P.S. Want a free sample **Fastback® bound book**? Call us at(505) 268-6520, toll free ([866](#)) 462-2463 or [email us!](#)

New From VariQuest: Perfecta!

Everyone has been asking for a full color poster printer for some time so we are proud to announce the arrival of our latest addition to the VariQuest product suite, **Perfecta™**. It is **the first full color poster design system** of its kind. Unlike other complex and bulky wide-format inkjet printers, **Perfecta is a compact and school-friendly printing system**. Plus, the **Perfecta™ 2400 Plus Package** contains everything you need to start creating beautiful, full-color posters as well as 8.5" x 11" prints!

Perfecta™ Poster & Banner Templates

A sampling of templates included with the Perfecta™:

cartridges? We love Sean at **Total Computer Care** for US-made toner and ink supplies. Call him at [505-615-4199](tel:505-615-4199) for great prices and excellent customer service.

Want to Win \$50?

Sign up for the newsletter and a chance to win \$50 for classroom supplies. Forward the newsletter to your friends and colleagues today and they might win, too!

Websites like DonorsChoose.org and the APS Foundation allow teachers to post projects they need funded. Visit them, list your project, and find people willing to give \$5, \$10 or more!

Tip

If you need professional development and/or VariQuest product training, check out the webinars available on our website.

Included is the VariQuest Design Center, containing **Thousands of templates and graphics**, an 8.5" x 11" scanner and a printer stand.

Other features include:

- A lower cost of maintenance than most other inkjet poster printers due to its minimal ink usage
- User-replaceable print heads
- New Design Center works with all existing VariQuest equipment (cutout, awards and poster maker)
- Print on a variety of media from regular bond paper to high gloss photo paper to matte polyethylene for outdoor banners.
- Included scanner means you can print your own images and scan them to poster size without loss of resolution.

Find out more about the Perfecta poster printer, today. Call us at [505-268-6520](tel:505-268-6520) or toll free (866) 462-2463 or

Real World Success: Salazar Elementary School

Vanessa Romero, Principal of Santa Fe's Salazar Elementary School, praises the VariQuest Poster Maker for its ease of use, speed and high quality end product.

"We've had the Poster Maker for a while, and the teachers like that they can blow up prints to use immediately. It's that fast," she says.

In fact, the Poster Maker can enlarge 8 1/2" by 11" documents to poster sizes ranging from 17" to 36" wide. These large visuals for classrooms and hallways really reinforce key concepts, encourage cooperative learning and promote school pride. And with nearly 700 customizable poster and banner templates all stored in the VariQuest software, the Poster Maker is a quick, easy and reliable way to enlarge standards, learning targets and other key information.

"The teachers use it all the time," Principal Romero continues. "They do the poster printing themselves, but I've also helped make posters for staff use, too."

Find out more about the VariQuest Poster Maker today.
